BOARD OF CONTROL

Top Row—Fred O'Donnell, Edward Perko, Lennie Pentila, Ben Blasko, Julius Larsen.
Bottom Row—Laura Applegate, Miss Agnew, Angela Kershisnik, Ida Rossatti.

Board of Control

The purposes of having a student organization are to develop cooperation among the students, to promote interests in each of the worth-while organizations in the school body, to stimulate work in literary, music, aid social activities, and the main purpose is to help the students work with the faculty for the betterment and improvement of our school.

All students who are elected to the Board must be up to or above the average of the school in scholarship and must be recognized as leaders by the students and by the faculty also.

The following students were chosen to represent the student body: Edward Perko, president; John Demshar, Vice-President; Ben Blasko, Secretary; Angela Kershisnik, Treasurer; Fred O'Dounell, Assembly Council; Ida Rossatti, School Spirit; Lennie Pentila, Athletic Council; Kathryn Brown, Social Council; Laura Applegate, Music Council.

The big project which was put over by the Student Council was that of a new high school.

All School Week

The week of November 10 to the fifteenth was all high school week. Loyalty was adequately portrayed in a manner showing how we can be loyal to our school both before and after we graduate. We must obey those rules we have in a good spirit and support our organizations with the same good will for our own benefit and for the benefit of future R. S. H. S. students. Courtesy, another one of our ideals, was also specified. Sportsmanship was stressed, but the most important point that was brought before the eyes of the students was that of a need for a new high school. Tags on Thursday and Friday showed this by bulging schoolhouses and the words, "We need a new high school." Tags, made by the Autrey Brothers, were distributed the first day.

The idea of a new High School has met with success as a $350,000 bond issue was passed January 20 for this purpose. Perhaps we Seniors should be proud that we will be remembered as the last class to graduate from this school.

Gros Ventre Society

The Gros Ventre Society is one of the greatest honor societies existing. It was established in Rock Springs in 1924 and has been successfully carried on since. The Gros Ventre is the local chapter of the National Honor Society of which there are some seven hundred chapters.

The purpose of this society is to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership and character.

Members are selected upon consideration of character, leadership, scholarship, and service. Not more than 15% of the graduating class may be members of this society. These members must be in the upper 25% of the class.

The membership reward for the society is a pin on which is a torch. The members are elected each year by a committee consisting of members of the faculty.

The members chosen from this year's class are: Gwendolyn Daniels, Armand Kellogg, Angela Kershisnik, Kathryn Fortuna, Cecelia Yedinak, Ida Rosatti, Lillian Bonomo Silvio Giovale, Pete Parker, Frances Demshar, Vincent Lebar, Anna Kershisnik, Gertrude Rautianen, Irene Sturholm.

The officers are: Armand Kellogg, President; Ida Rosatti, Vice-President; Silvio Giovale, Secretary; Vincent Lebar, Treasurer.

National Athletic Honorary Society

To be a member of this society, a boy must have earned a letter in a major sport or two minor sports, must have grades equal to or better than the average of the school and must be satisfactory to the faculty in sportsmanship and school citizenship.

The following boys represent this year's choice for the National Athletic Scholarship Society: George DeBernardi, Matt Ferlic, Allan Hensala, Ernest Soltis, John DeBernardi, Ely Radakovich and Lennie Pentila.
